
Grilled Cheese Sandwich

Servings: 8

From the Kitchen of Brett Broussard

8 slices briocke bread

1/2 cup Nutella

8 ounces triple cream cheese (ie St. Andre)

Strawberry coulis

1/4 cup clarified butter

Spread Nutella evenly over the briocke bread and add cheese, much like you are making a grilled cheese sandwich. Sprad butter on top of each side of the bread and grill in a hot pan over medium heat until golden brown. Let cool and slice in half diagonally and then again.
